

February 9, 2023

Jiangshan Yu
Apt. 805 3433 Rue Durocher
Montreal QC H2X 2C8

Dear Jiangshan Yu,

On behalf of the School of Graduate Studies, I am pleased to offer you admission to the following program of study:

Institution information

Institution:	University of Toronto School of Graduate Studies 63 St. George St., Toronto, ON M5S 2Z9 (416) 978-6614
Designated Learning Institution #:	O19332746152

Program information

Department/Centre/Institute:	Department of Computer Science
Degree Program:	Master of Science in Applied Computing
Program Begins:	September, 2023
Anticipated Graduation Date (full-time):	June 30, 2025
Status:	Full-time

Personal Information

Student Number:	1005752669
Date of Birth (Immigration purposes)	2000-11-14

Please ensure that the following condition(s) are satisfied with the graduate unit offering admission, otherwise the offer may be withdrawn:

To authenticate self-reported grades, please ensure that the graduate department offering admission receives the official transcript(s) of your complete academic record, directly from the issuing institution(s), no later than August 31st.

Completion of the final year of your bachelor's program with an average of at least B+, and confirmation of degree conferred.*

* To clear the condition(s) identified with an asterisk (*), you must arrange for the issuing institution(s) to forward an official transcript of your final academic record to the graduate department to which you have been admitted.

Remarks:

Registration and fees information to follow.

For international applicants, conditional registration may be permitted.

Subject to approval by Governing Council, it is expected that full-time fees for the current year will be \$41,860.00, not including program-specific incidental and ancillary fees. This fee is subject to change. Students registered on a part-time basis will be charged part-time fees.[†] Tuition and other fees are reviewed by the University on an annual basis and published on the University of Toronto Student Accounts website (www.fees.utoronto.ca) in April (for programs starting in summer), and July (for programs starting in fall/winter). Your annual tuition fee invoice will be posted to your ACORN account at www.acorn.utoronto.ca shortly thereafter.

Every degree program has a program length which predetermines the minimum degree fee. Students who finish the degree requirements in less than the program length will be subject to a balance of degree fee to be paid prior to graduation. Refer to your unit's SGS Calendar entry for your program length and consult the Graduate Fees section of the SGS website for more information: www.sgs.utoronto.ca.

To prepare for your graduate experience at the University of Toronto, I invite you to explore the SGS *GradHub* (www.sgs.utoronto.ca/gradhub) in the months ahead. We are eager to welcome you to U of T's outstanding graduate community. If you have any questions about your admission offer or life at the University of Toronto as you make your decision, don't hesitate to contact the Department of Computer Science.

I hope to see you in the fall!

Yours Sincerely,

Brian Desrosiers-Tam
Assistant Dean, School of Graduate Studies

SCHOOL OF GRADUATE STUDIES

Confirmation / Deposit

Student Name: Jiangshan Yu
Student Number: 1005752669
Department/Centre/Institute: Department of Computer Science
Degree: Master of Science in Applied Computing
Session: 2023 Fall
Program Begins: September, 2023
Date of Admission Offer: February 9, 2023
POSt Code (Office Use): CS MSAC

To secure your admission, you must: *Accept Your Offer of Admission*, and *Pay Your Deposit*.

To confirm your acceptance of this offer of admission, you must sign, date and upload the completed form to your application status page on the SGS application system as the 'Admission Confirmation Form' within four weeks of the date of this offer letter. Your signature will secure this offer pending receipt of the deposit specified on the following page.

1. Your Admission Offer

a) Accept Your Offer of Admission:

University of Toronto COVID-19 Vaccination Requirement

The University of Toronto has paused the requirement for students to be fully vaccinated in order to come to campus. **Please note this requirement may be reinstated on short notice should public health conditions or guidance change.**

The University will require students living in residence for the 2022-23 academic year to be vaccinated against COVID-19, including at least one booster dose; residence policies for the upcoming 2023-2024 academic year may differ. For up-to-date information on the University's vaccination requirements, refer to the COVID-19 Information for University of Toronto Students on the Office of the Vice-Provost, Students website: <https://www.viceprovoststudents.utoronto.ca/covid-19/#vaccines>

By accepting your offer of admission, you acknowledge that you have read and understand this information and agree to comply with the University's vaccine requirements and any amendments made to align with evolving public health guidance. While students who are not fully vaccinated may enrol in classes with in-person components as of May 1, 2022, vaccination requirements may be reinstated with little notice, which could result in de-enrolment.

Some programs may have additional vaccination requirements. Please refer to your admission offer letter for any additional information.

I accept the offer of admission from the School of Graduate Studies, University of Toronto.

POSt Code (Office Use): CS MSAC

2. Pay Your Deposit:

Once you have confirmed your acceptance, the next step is to pay your deposit on ACORN.

A deposit of \$1,000.00 is due by March 9, 2023 to secure your offer of admission. We will cancel your offer of admission if we do not receive your deposit by the above deadline. Your deposit is non-refundable and will be applied to your first term tuition.

Instructions for Paying your Deposit

Make an online MasterCard or Visa credit card payment by logging into your ACORN account at www.acorn.utoronto.ca using the JOINid credentials that were emailed to you when you completed your application.

Important note about online payment: When you pay online, you will pay a convenience fee, which is a fee billed by the Moneris credit card service provider. This fee is non-refundable, even if you decide not to study at the University of Toronto. The convenience fee, charged at a rate of 2.5% of the fee payment, is billed directly by Moneris and is not remitted to the University of Toronto. Thank you for your attention to this.

Please note: It can take 2-3 business days upon receipt of the payment to record the deposit payment in your ACORN account. It is your responsibility to ensure that the deposit payment has been recorded in your ACORN account by the deadline.

Next Steps

To prepare for your graduate experience at the University of Toronto, we invite you to explore the *SGS GradHub* (www.sgs.utoronto.ca/gradhub) in the months ahead. Here's what you can expect:

- Find your bearings. The “Getting Started” page introduces you to life in Toronto and U of T's many offerings across our tri-campus. It includes steps to activate your U of T accounts and platforms (UTORid, UTmail+, TCard, ACORN, Quercus), as well as key information about enrolment, registration, funding opportunities and more.
- Learn how SGS works with your graduate unit to help you manage your program.
- Get to know the resources, supports and services available to you.
- Discover ways to foster your community and make the most of your graduate experience at each point of your journey.

Keep an eye out for Fall 2023/Winter 2024 orientation dates! We will share more details via email and our orientation site (www.sgs.utoronto.ca/orientation).

Jiangshan Yu
Apt. 805 3433 Rue Durocher
Montreal QC H2X 2C8

Dear Jiangshan Yu,

On behalf of the University of Toronto's graduate community, congratulations on your admissions offer! You have shown yourself to be among the world's best and brightest. It would be our privilege to welcome you into our esteemed graduate cohort.

With over 80 graduate units (departments, centres, and institutes) offering approximately 300 graduate programs, the School of Graduate Studies is home to more than 20,000 graduate students on our three campuses. Within our institution's tremendous breadth and diversity, graduate units are small enough to provide you with a sense of belonging to a recognized community of scholars, colleagues, and associates. Collectively, we provide the supports you need, when you need them, so that you can thrive in your world-changing endeavours.

If you accept our offer, you will join Canada's leading postsecondary research institution. U of T students benefit from world-class training, premier facilities, and connections to top scholars from around the world—an enriching combination that prepares you to thrive in a variety of careers. Here, you will foster your intellectual curiosity, engage with emerging knowledge, develop creative responses to problems, and learn to communicate your findings effectively. Our excellence in scholarship, innovation, equity and sustainability makes us the top-ranked university in Canada and the 12th in the world in graduate employability according to *Times Higher Education's* employability rankings.

Choosing a graduate program can be a significant decision. As you consider our offer, do not hesitate to contact the Department of Computer Science with any questions.

Once again, congratulations! I look forward to the opportunity to support you as you embark on your graduate career.

Warmest regards,

Joshua Barker
Dean, School of Graduate Studies and
Vice-Provost, Graduate Research and Education

Encl.
