April 21, 2023

Dear Jiangshan Yu,

Congratulations! I am delighted to offer you admission to graduate study in the Electrical Engineering & Computer Sciences MEng program, beginning Fall 2023. Please accept my warmest congratulations on the many accomplishments and achievements that have earned you admission to this unique institution. We hope that you will accept our offer.

Berkeley is an incomparable place to earn a graduate degree. You will have the opportunity to work with and learn from a world-renowned and devoted faculty, alongside diverse and talented student colleagues. As a Berkeley graduate student, you will join a vibrant scholarly community that will support you in pursuing your particular academic or professional interests. In addition, you will be able to take advantage of a wider intellectual context engaged in cutting-edge teaching, research, professional activities, and public service in more than 100 top-ranked graduate programs.

Berkeley offers you access to state-of-the-art research facilities and world-class libraries with the largest public collections in North America. For relaxation, the scenic 1,200 acre campus lies in the heart of one of America's most exciting and multicultural metropolitan areas. Outstanding recreational opportunities are easily accessible locally and throughout California.

When you complete your degree, you will join a flourishing network of graduate alumni throughout the world. I hear repeatedly from them that Berkeley played a pivotal role in shaping their lives and subsequent successes.

Along with this letter you will find instructions on how to respond to our offer of admission. Because many other applicants are hoping for the place reserved for you, we would appreciate it if you could respond as soon as possible (no later than April 15 for fall admission). If you have questions, please contact your department directly or send an email to our office at gradadm@berkeley.edu.

This letter notifies you of our admission offer only. You will receive information about financial support separately from your department or the university.

Again, many congratulations. I look forward to welcoming you to Berkeley soon!

Sincerely yours,

Lisa García Bedolla[Return to Application Status](#)
